

Return to Nature Project

Meitheal Day, Saturday October 12th, 11am - 3pm.

The RTN group invite people young and old to participate in this first community work day to begin some small gardening projects around the church grounds with a view to improving our biodiversity.

If you would like to volunteer please send your contact details (phone & email) to Paul Murphy, chair of the RTN Group.

Please email: pmurphyj@gmail.com.

Alternatively, you can give your name to an RTN member in the church porch on Sunday or at the parish office during the week.

We will then get in touch with you with further details of the Meitheal Day.
